Additional Discussion Notes

This visit was completed as a Change of Address Visit. Space is set up for care. The location was determined to be set up for care. Provider will move program to this new address as of 4/1/23. No violations were found. All inspections are completed.

Based on today's visit, the items identified as areas of non-compliance with the Child Care Center and School Age Program Regulations for Licensure must be corrected as outlined in the Corrective Action Plan. Failure to correct a non-compliance may result in the revocation of the license or denial of the application, as applicable. Please contact your licensor with any questions or concerns related to resolving the Corrective Action Plan. Additionally, you may contact the Child Care Licensing Office at DHS.ChildCareLicensing@dhs.ri.gov regarding today's visit.

I understand that by signing this monitoring report, I am also granting permission for Child Care Licensing to share my provider information with the designated Technical Assistance provider, where TA Referral(s) were made. I am aware that these agencies will both give and receive information related to my progress in addressing any item on the Corrective Action Plan.
