Family Child Care Home and Group Family Child Care Home Regulations 218-RICR-70-00-2 & 218-RICR-70-00-7				
Section	Requirement Description	Compliant Status	Remarks	
2.3.1 (7.3.1) Physic No violations fo	und			
2.3.1.B.1/ 7.3.1.B.1 (Medium risk)	Any construction or large-scale modifications to the home (inside or outside) that changes the measurements, or quality of the space used by children, requires approval by the Department's Licensing Administrator prior to the start of construction.	Not Applicable		
2.3.1.B.4/ 7.3.1.B.4 (Medium risk)	All spaces used for child care must have artificial lighting that in intact and in good working order.	Compliant		
2.3.1.B.5/ 7.3.1.B.5 (High risk)	All exits/egresses are: a. clearly identified; and b. free of clutter around the area of the door.	Compliant		
2.3.1.B.6 & 11/ 7.3.1.B.6 & 11 (Medium Risk)	The residence must have an operational heating system capable of maintaining a minimum temperature of sixty-five degrees Fahrenheit (65° F) in all areas accessible to the children. The provider must ensure that the maximum temperature does not exceed seventy-four degrees Fahrenheit (74° F) in all areas used for child care.	Compliant		
2.3.1.B.12/ 7.3.1.B.12 (High Risk)	All entrances to the FCCH are kept locked when the provider is unable to directly monitor its use. The FCCH must have a mechanism and/or procedure in place for monitoring entry throughout the day.	Compliant		
2.3.1. B.16&17/ 7.3.1.B.16& 17 (High Risk)	Every electrical outlet within the child care area must be covered with a choke proof child resistant device while not in use. Electrical cords must be: a. Securely taped or fastened out of children's reach; and b. In good condition, without any evidence of being frayed or damaged.	Compliant		
2.3.1.B.22/ 7.3.1.B.22 (Medium Risk)	A telephone (landline or cellular) designated for program and business use must be located within the FCCH during business hours and readily available for use in case of an emergency.	Compliant		
2.3.1.B.23/ 7.3.1.B.23 (High Risk)	In addition to meeting the requirements of the applicable Rhode Island Fire Safety Code, the residence must be equipped with a fire extinguisher located in the kitchen area.	Compliant		
2.3.1.D.3/ 7.3.1.D.3 (High Risk)	To prevent children from becoming locked inside the bathroom, the provider must ensure: a. Any locks on bathroom doors should not be within the reach of children; or b. A key is readily accessible outside of the bathroom.	Compliant		
2.3.1.F.3/ 7.3.1.F.3 (Medium Risk)	If there are stairways within the area used for child care they must: a. Have a handrail at children's height; b. Be well lit; c. Be kept clear of obstructions; d. Have a gate, which is kept securely fastened at the entry to any stairway accessible to children under age three (3).	Not Applicable		
2.3.1.G.1&2 / 7.3.1.G.1&2 (High Risk)	Each program has an outdoor play area that is safe, protected and free from hazards that include, but are not limited to: a. Access to the street; b. Debris, trash, broken glass; c. Animal waste; d. Peeling paint; e. Tools and construction materials; f. Holes that present a tripping hazard or contain still water; and g. Open drainage ditches, wells, or other bodies of water. Outdoor area must be surrounded by a fence or clear physical obstacle that prevents movement or access to another area.	Compliant		
2.3.1G9&10 / 7.3.1G9&10 (High Risk)	If the residence has an in-ground pool, the provider must prevent children's access: a. The pool must be separated by a fence that is at least six feet in height, with no openings or protrusions that a child could use to get over, under or through, and b. It must be equipped with a gate that opens out from the pool, and self-close and self-latch at a height where a child can't reach. 10. If the residence has an above ground pool, it must have a four foot (4') fence extension along the outer rim of the pool, provided that the ladder leading to the pool folds up and locks into place and the height from the ground is at least six feet (6'). Based on today's visit, the items identified as areas of non-compliance with the Child Care Center and School Age Program Regulations for Licensure must be corrected as outlined in the Corrective Action Plan. Failure to correct a non-compliance may result in the revocation of the license or denial of the application, as applicable. Please contact your licensor with any questions or concerns related to resolving the Corrective Action Plan. Additionally, you may contact the Child Care Licensing Office at DHS.ChildCareLicensing@dhs.ri.gov regarding today's visit.

I understand that by signing this monitoring report, I am also granting permission for Child Care Licensing to share my provider information with the designated Technical Assistance provider, where TA Referral(s) were made. I am aware that these agencies will both give and receive information related to my progress in addressing any item on the Corrective Action Plan.
